DANIEL BOUNDS (DB):

RICHARD GUIZZINO (RG):

RG:

DB:

RG:

CG 183A-1473

RG: is 76 years old with a heart condition and you call her on a bunch of shit down to her. Just tell her it's important for Richie to get a hold of me. And she'll give me that message. Don't tell Nannie, don't talk to Nannie about nothing.

DB: Right.

RG: You understand what I'm telling you?

DB: I know, I know.

RG: Cuz I'll jump, I'll jump from wherever the fuck I'm at, and if I have to hitch-hike there you know and bust vou're fucking head for you. That's my mother man. I don't fuck with your mother, dcn't fuck with mine!

DB: All right well what I got, what I got to do now?

RG: I don't know what to tell you to do. What where are you in Chicago?

DB: I'm in Orland Park. I'm at a friend's house.

RG: Well number one, uh uh mob ain't got no fucking hit contract out on ya for sure, cuz.

CG 183A-1473

DB: Oh yes they do!

RG: Oh no, they don't.

DB: [redacted] does.

RG: Who, [redacted] b7C

DB: Yeah.

RG: [redacted] (ph)?

DB: Yeah.

RG: That ain't the mob.

DB: Well he put twenty-five thousand dollars on my head.

RG: Yeah where's he gonna get it, uh Danny?

DB: Nick left quite a bit.

RG: Not to him.

DB: They're all fighting for it over here.

RG: Yeah they ain't gonna fight for nothing. Just stay away from them guys that's all.

DB: What about Pilotto?

RG: Yeah they ain't noth-, they not Dan, uh Daniel, Sam, Sammy did not get killed for nothing to do with nothing like that. There was other reasons. You understand? Nobody even knows you're fucking alive, but them but uh Frank and uh and his nephews. And they don't know nothing all you got to do.

CG 183A-1473

RG: is deny whatever the fuck they're accusing you of because it ain't true. You understand what I'm saying?

DB: Yeah.

RG That's all you got to do is deny it. I can't even reach no-, I'm out, all right here I'm by myself in the middle of nowhere, you know? I'm going hand to mouth, I'm trying to make my fucking, I'm try just just live that's all. You know?

DB: Mmm hmm.

RG: I'm trying to just live. They're ain't no fucking money. I ain't got no fucking money. Uh uh Bobby split up and we we went different ways. Because we couldn't make it together, you know? We spread out all over the fucking United States and you go back there. What did you go back there for?

DB: Cuz I went out to Houston looking for a job and I had I sold my car and hitchhiked out to Houston. Sold my car for seven hundred.

RG: Did you get that last money?

CG 183A-1473

DB: That five?

RG: Yeah.

DB: Yeah, I got the five hundred.

RG: Well you were suppose to go to Atlanta?

DB: And I went to Atlanta.

RG: (Inaudible) mother fucking thing?

DB: You know I went to Atlanta, I tried to
get a hold of [REDACTED] b7C

RG: Mmm hmm.

DB: And uh [REDACTED] guy I couldn't get a hold of
[REDACTED]. And [REDACTED] said well he's in
California on a golfing outing.

RG: Uh huh.

DB: And I couldn't afford to stay out there then,
you know? Cuz they're expensive out there.

RG: Yeah well I can't even get a hold of [REDACTED]
now. His numbers are disconnected. I'd have
to go there to get a hold of him.

DB: You didn't get no money from the cab company
or nothing?

RG: No what the fuck am I getting? The cab
company has been running in the fucking red.
And as far as the rest of that shit goes I
don't even own it.

CG 183A-1473

DB: Yeah.

RG: I ain't got the club no more. I ain't got a fucking thing to do with the club.

DB: Hmm?

RG: You know?

DB: So what do you propose I do? I know there's a couple contracts out on me though!

RG: You you any steam you got is your's from the people you hang around with. That's all and they're just like you. You know they're not no big timers. You know what I'm trying to say? They're just everyday fucking people. Me, what I suggest you do? I don't know why you even went back there to tell you the truth. There's nothing there.

DB: Well I couldn't make it out in Houston. I tried for almost three weeks to get a job out there.

RG: You couldn't get a job out there?

DB: Well uh it's hard to get around with no vehicle. I got out there no vehicle I I didn't know nobody.

RG: Well you had five hundred you should have went there and.

DB That's why I went to Atlanta. I stayed out there trying to get something out there for two weeks over at [REDACTED] house. Remember when you called me out there or I tried to get a hold of you from out there.

RG: At [REDACTED] house?

DB: Yeah in Peach Tree City.

RG: Why she lives in Georgia?

DB: Yeah.

RG: I didn't know that.

DB: Yeah.

RG: You never told me that.

DB: Well I didn't know that until the second trip we made out there. The first trip we didn't even go out to Peach Tree City.

RG: I didn't know that.

DB: Yeah. So we stayed there for two weeks. I was trying to get a job out there.

RG: Oh they you couldn't find nothing?

DB: Nothing. Now I'm out here and I ain't got nothing, I ain't got no transportation. I ain't got nothing.

RG: Danny I'm hanging on just like you believe me I'm hanging on by my fucking thumbs I can't even fucking send you nothing right now man. Maybe in two weeks I I can't even promise you

CG 183A-1473

RG: in two weeks. You know I got about a fucking uh I got maybe two - three hundred on my, well I can tell you exactly what I got. I got two hundred and eighty-three dollars in my fucking pocket. And I'm scufflin you know?

DB: Mmm hmm.

RG: And you know uh maybe you don't believe that. But I don't know what to fuckin tell ya. My world fell apart partner. You know for me to leave Chicago Heights after 42 yrs. and I never even went to the fucking Army in my life

DB: Yeah.

RG: For me to leave Nannie like that you know. Ah fuck my fucking world fell apart man I'm I'm just running and ducking.

DB: That's just the same with mine did. Mine fell apart too. I mean I can't even show my face around there you know?

RG: You don't see me hanging my fucking mug around there, either do you?

DB: (Laughs) Uh no I don't. But you know I can't I can't be living off the people I'm living off of now you know they they ain't got shit either you know?

CG 183A-1473

RG: Well you got to go some place and get a fucking little job. Get a bankroll. Get a job in a gas station something get a little bankroll going. You know and then make you're move. I wish I could help you. I can't. And this and don't tell Nannie nothing, Dan.

DB: Yeah.

RG: Nothing. The only thing you tell Nannie is that to tell Richard to get a hold of me next time he calls cuz I call Nannie 2 - 3 times a week.

DB: Uh huh.

RG: Uh you know?

DB: Yeah.

RG: From wherever the fuck I'm at. You know?

DB: Uh huh.

RG: But don't fucking tell her, man Nannie was upset Daniel, you know?

DB: Yeah, well.

RG: That was a bad fucking move.

DB: Now okay.

RG: Stupid you know?

DB: Now she she don't want me to call there no more?

RG: I told her to tell you not to call.

CG 183A-1473

DB: So how will I get a hold of you again, if I needed too?

RG: Well if you have to get a hold of me just call there and leave a number you know. But uh let's see don't even fucking bother trying to get a hold of me for at least uh shit I don't know what to tell ya cuz I ain't got no money coming in you know what I mean?

DB: Yeah.

RG: I'm working on a few deals. Trying to get something going. You see every place I go I stay for awhile. To try and find a fucking spot to settle in. You know?

DB: Uh huh.

RG: Q And then I move on.

DB: Yeah.

RG: You know what I'm trying to say? I don't like it there.

DB: I know that's the same way I felt when I was on the run. I I get there and I didn't like it you know?

RG: Yeah. Well uh you know what it is? We're used to knowing everybody you know?

DB: Yeah.

CG 183A-1473

RG: And now you're sitting there and you're all alone and you're with a fucking broad and that's the only person you can talk to or relate to is your girlfriend. You know what I mean? b7C

DB: Yeah it's bad.

RG: So that's uh it's a bad fucking shot. Be uh because we don't know anybody.

DB: Well you know where I what I did? I went out there uh to uh by by the golf course.

RG: Yeah.

DB: I went out there and I tried to get those uh guns.

RG: Yeah.

DB: And they weren't there.

RG: Oh listen never mind then, forget it!

DB: Cuz uh I wanted something after I found out that Nick had a contract out on me you know and I mean

RG: Yeah.

DB: I ran, I ran out there to get them, you know? About 11:00 o'clock at night.

RG: Yeah.

DB: And I couldn't.

CG 183A-1473

b7C

RG: Forget it I don't even want to talk about that.

DB: Yeah.

RG: You know and as far as [] having a ^{b7C} ---king number on you're head forget it. Cuz he ain't got no fucking money. What's he gonna put on your head?

DB: Well he he might pull the job himself cuz he's going beserk.

RG: He is?

DB: I'm mean he's flashing the gun around in everybody's face.

RG: Well.

DB: You know that []

RG: Yeah.

DB: That []

RG: Yeah.

DB: He put the gun at her head.

RG: He did?

DB: Grabbed her purse, dumped everything out of her purse. There was two safety deposit keys that he took and gave 'em [] and they went out to Nick's bank box you know and uh opened it up and found all his money and everything you know.

CG 183A-1473

RG: Ah I don't believe.

DB: And they're tryin. Huh?

RG: I don't believe that.

DB: I seen em. Golden certificates, silver certificates.

RG: Huh? b7C

DB: He had golden certificates back up^h dating back from 1919, 1918.

RG: Yeah.

DB: And those were thousand dollar golden certificates and he had five hundred dollar golden certificates. This guy had all kinds of money. He has over a hundred houses.

RG: They can't get in. They couldn't get in his bank deposit uh.

DB: They got it. They had the two keys they had two keys. The two of 'em.

RG: Hmm?

DB: Well the girl did. And got really beserk you know and put the gun right to her forehead and told her to empty it out.

RG: Mmm hmm.

DB: And she emptied it out with no hesitation, you know?

CG 183A-1473

RG: Uh huh.

DB: And uh I mean he he's going around acting beserk at everybody.

(Pause)

DB: You know? And uh he like just the other day [] was talking to him and uh he had he had a list of names made out. Me, [] [] was on the list. [] says what's the list for? He goes for his own personal reference. You know and [] says what do you mean by that? He goes I can't get into it anymore.

b7C

RG: Hmm.

DB: But mine and [] were right at the top of the list.

RG: Who else's?

DB: She didn't mention anybody else's name. He grabbed the paper from her you know and put it in his pocket. But uh I'm sure it wasn't no oh invitation to a ball or something like that, you know? It had to have been for a hit list.

RG: Well let me tell ya Danny, all I can tell ya is do the best you can cuz I can't help you out. But number number one forget about the people looking oh for you. You know if []

CG 183A-1473

RG: looking for you I don't know he's you know
he's nuts. He does things without without
no sub no base to 'em you know?

DB: Mmm hmm.

RG: And as far as what he's thinking that you did?
You deny that because you as far as I'm
concerned that never happened and you and and
you know it never happened. You understand?
You didn't do that. You might have got drunk
and told somebody you did it playing the big
shot, but you never did it.

DB: Mmm hmm.

RG: You understand?

DB: Yeah.

RG: And that's what you gotta live with.
You hear me?

DB: Yeah, if I live long.

RG: Well that's the same way I'm feeling that's
why I'm not coming within fucking thousand
miles of there. You know?

DB: Yeah.

RG: But whatever you do don't uh you do.

CG 183A-1473

DB: Well you gonna.

RG: Nothing to Nannie no more.

DB: Are you gonna get set up somewhere?

RG: I I if I do I'll let you know and you can come by me.

DB: All right. b7C

RG: But I, what's the sense of me telling you to come around where I'm at now, cuz I'm just barely feeding myself.

DB: Right, I understand that, yeah.

RG: But if I get set up somewhere yeah I'll bring you with me and you can have a job you know?

DB: Yeah. Something anyways.

RG: You still with

DB: Yeah. As much as I can see her.

RG: Yeah.

DB: But right now like I ain't got no car and she don't either, you know?

RG: Yeah.

DB: And uh the people I stay with ain't got much money to keep me out back and forth to her house every day or something you know? So I see her when I can.

RG: Yeah.

DB: Did you call her?

RG: No.

RG: I don't even. Why would I call her?

DB: Somebody called her house tonight. They asked for [] but when [] got on the phone they asked for me and where was I at? Where could I be reached? How could they find me.

RG: No that wasn't me.

DB: And she didn't know who it was.

RG: No it wasn't me.

DB: That was just before I called down your mother's house again. This evening.

RG: Hmm, no way.

DB: Well I wonder who that was then? Cuz she didn't recognize the voice she says it sounded like it was a a heavy voice you know?

RG: Uh huh.

DB: Deep voice. But she didn't know who it was. She couldn't make out who it was. So I don't know. Ah so things aren't looking too good for you either, huh?

RG: No, terrible.

DB: I know they're.

RG: I never been this fukking unhappy in my fucking life. I'll tell you the truth if I

CG 183A-1473

RG: had ten thousand dollars cash in my pocket
right now I still wouldn't be happy about
nothing. You know?

DB: b7C Yeah, that's true.

RG: And I'm just uh fuckin I'm just fucking miser-
able. I'm fucking unhappy, I'm lonely. You know?

DB: Yeah.

RG: And I'm uh you know I feel like fucking I just
don't feel right, you know?

DB: Right, right. Oh and left ya huh?

RG: Well uh he we didn't have no choice he had
to go check something out and I I want the
other way to check something out because we
couldn't both make a parade around the fucking
country. We had to split up for awhile you
know?

DB: Yeah.

RG: So if he finds something good he'll gonna let
me know and if I find something good I'll let
him know, you know?

DB: Uh huh.

RG: But what's the sense of running to you know
double nut looking if we got to look at two
things we why why should we go with you know?
Why not both go a different way and check 'em
out

CG 183A-1473

RG: you know what I mean?

DB: Yeah that's true. Oh well!

RG: And that if you know you're gonna go stay with family or something like that here there or wherever you go you can't be dragging a whole fucking passel of people in with ya. You know or you go stay with a friend that you know say in Virginia or something like that.

DB: Yeah.

RG: You know you can't bring a whole bunch of people. You and your old lady can stay but you can't figure on another couple that's gonna stay.

DB: Right.

RG: So he's got his couple of friends from the war from the Navy well you know that he went and seen.

DB: I understand that.

RG: You know that's how we're doing it.

DB: Yeah.

RG: Trying to keep, I just can't stay in fucking motels.

DB: Mmm mm.

CG 183A-1473

RG: I mean I'll tell ya you spend a fucking
b7C you spend a fortune.

DB: That's right. That's what my problem was out
on the road.

RG: Right.

DB: With uh [REDACTED] you know I couldn't
stay out on the road.

RG: Right cost you a hundred dollars a day on the
road.

DB: With a car.

RG: Yeah.

DB: So I ain't got no vehicle or nothing now.

RG: Danny, I wish I could help you. I would if
I could but I can't. You know.

DB: Yeah.

RG: I can't fucking help you. But I don't want
you making Nannie upset you know. And Nannie
ain't got nothing either. So don't ask
her for nothing.

DB: Yeah I know.

RG: When I get a fucking extra hundred bucks I
send it to her, you know?

DB: Yeah. Well what happens to all Sam's? Is his
all still tied up or something?

CG 183A-1473

RG: Sam didn't have? What do you think Sam had?

DB: Huh?

RG: What do you think Sam had?

DB: He had enough to last a little while didn't he?

RG: By the time uh you know Sam was not liquid in otherwords. We had a lot of he ha^{b7C} operty and stuff like that and that's all tied up with mortgages.

DB: Yeah.

RG: Sam was no millionaire.

DB: Oh I know that. Yeah.

(Pause)

DB: Dropped the phone. What did you say?

RG: I says he uh was no millionaire.

DB: Yeah.

RG: His wife is running the cab company here you know been trying to keep it going.

DB: Chris?

RG: Yeah. But the cab company is a loser.

DB: I heard [] was with him when them guys got him in the car.

RG: No.

DB: They told her to take a walk.

RG: No. Fuck see how you hear a million fucking things?

CG 183A-1473

DB: Do you know who it was? That he he went with the ride with?

RG: No.

DB: Huh?

RG: No if I knew I wouldn't say but I don't know anyway.

DB: Yeah.

RG: But you know it wasn't for nothing that had anything to do with you.

DB: Uh huh.

RG: And you believe that.

DB: Well I'm glad to hear that I wouldn't want his death to be on my conscience you know?

RG: No it ain't for nothing that had anything to do with you cuz it wasn't for anything that you think that uh you know for when you got drunk and said something or something like that. You understand?

DB: Yeah.

RG: So it didn't have nothing to do with that thing you know?

DB: Right. I understand.

RG: It was for oth, uh unrelated business. And it was for business is what it was. Business that didn't have nothing to do with the other deal.

DB: Right.

CG 183A-1473

RG: You understand?

DB: Yeah I understand yeah.

RG: So that's why you ain't got no probl^{b7C} n
that end. You know now Frank is looking for
ya. I don't know what to tell you about that.

DB: Yeah.

RG: You know cuz he could be dangerous.

DB: Huh?

RG: He could be dangerous.

DB: Especially uh when he's going beserk like
that.

RG: Right and the best thing for you to do is
get out of there.

DB: I hitch-hiked from Houston, Texas back up
here with uh three dollars in my pocket and
it took me three days.

RG: What you got to do Let me tell you what
you got to do!

(Pause)

RG: Go, go in some place you know out of the area,
and don't let nobody know where you're at.

DB: Uh huh.

RG: Get a job in a gas station or something.
Some little menial fucking job just enough to
you know get a room with and and and save a
little cash until you got four or five

RG: and pick up [] and go down and get a job somewhere else, some other part of the country. If Texas ain't no good. Go to fucking Arizona or uh go somewhere you know?

DB: Well what about up in Alaska? You said something about me I can go up I can go up there or something.

RG: Yeah that uh turned out to be a fizzle.

DB: Yeah?

RG: I checked that out myself.

DB: Nothing up there huh?

RG: No, I was there.

(Pause)

RG: That's that's where the little bit of cash I had got ate up.

DB: Yeah.

RG: You know. I been gone since right after the funeral you know?

DB: Yeah I know you left about the day after, didn't you?

RG: Two days after, three days after.

DB: Yeah.

RG: I been gone.

DB: Did you?

RG: I walked away from the house and every fucking thing.

CG 183A-1473

DB: Did you sell everything you had?

RG: No sell nothing.

DB: Like your.

RG: I walked away from it. I didn't have no equity.

DB: I mean like your bike.

RG: No, I still got my bike.

DB: Get rid of that, that's cash.

RG: Yeah well as soon as I can. I can't get rid of it now. Cuz I can't get near it.

DB: Yeah.

RG: You know.

DB: You ought to have somebody take care of business over on this end for you.

RG: There's nothing to take care of over there.

DB: No.

RG: I ain't talking to nobody letting nobody where I'm at or nothing either.

DB: Eh yeah.

RG: Nobody. Nannie don't even know where I'm at.

DB: Yeah I know I talked to her today and she don't know. You just call once in awhile.

RG: Yeah I call her 2 - 3 times a week.

DB: Yeah.

RG: So just hang in there and I'll tell ya I ain't

CG 183A-1473

RG: gonna be able to do nothing for sure until
the end of January. You know?

DB: Uh huh.

RG: Just a minute!
(Pause)

RG: Yeah.

DB: I didn't say nothin. You said something about
the end of January?

RG: Yeah the end of January you uh call Nannie
and leave your number, you know.

DB: Uh huh.

RG: And then if I got something going by then
I'll send for ya.

DB: Okay, I'll do that then Rich.

RG: But listen to me, Dan!

DB: Yeah.

RG: Don't, don't even think about that other
deal. You know?

DB: Which one?

RG: The one where you know? Where you thought that
where you got drunk and said you did something
you didn't do.

DB: O h.

RG: You know?

DB: Yeah.

RG: Cuz uh you really didn't do it. You understand

CG 183A-1473

DB: Right.

RG: You had no idea of nothing
you uh just got drunk and was playing a role.

DB: Right.

RG: Or high or something you know?

DB: Yeah that's what [] doing.
That's what [] did too! b7C

RG: Well how does [] know anything?

DB: Uh, how do I know?

RG: It's just you know somebody getting drunk
and playing the fucking role.

DB: Yeah.

RG: So.

DB: All right I'll just lay low and do the best
I can.

RG: Just remember what I told you that's just
lay low and stay out of fucking town.

DB: Yeah.

RG: Cuz I can't I can't help ya now.

DB: Yeah, I understand that.

RG: I mean I can't help you no way at all.

DB: All right.

RG: You know what I mean?

DB: Okay well then you let Nannie know that I'll
be calling her at the end of January then.

CG 183A-1473

RG: Yeah, right.

DB: So she can expect my call or whatever, you know?

RG: Right around the last week in January, then.

DB: Yeah.

RG: If I was you I'd get out of the area before then.

DB: Yeah I think I I will do that. Like when I was down in Houston I met a couple of people I could probably stay with.

RG: Right.

DB: And uh I'll just give you a call the end of January then.

RG: Yeah, that's what to do go down South.

DB: All right.

RG: And and watch yourself around the holidays.

DB: Oh yeah huh?

RG: If they're looking for ya, they'll know where to look for you then.

DB: Especially around the holidays, yeah. Yeah.

RG: You gonna be there for uh? Or just what you gonna go to your ma's for Christmastime or anything?

DB: No no no. Uh uh.

RG: I ain't either, it'll kill me but I I ain't gonna do it.

CG 183A-1473

DB: Uh uh I'm not gonna do it either.

RG: Just can't do it you know?

DB: Yeah. Terrible ain't it.

RG: For me especially.

DB: Yeah.

RG: Yeah at least you went to the Army you know?
You were away you know.

DB: Yeah this is your first time away from home,
huh?

RG: I never been away from home Dan. Longest
time I was ever away from home was a two
week vacation. b7C

DB: Yeah must be pretty bad for you?

RG: Fuck, I'm 42 years old. You know what this is
for me?

DB: Yeah.

RG: Start all over again?

DB: Damn.

RG: You know.

DB: Oh what a drag.

RG: But just stay away from everybody.

DB: Got to. I mean I haven't even been up if I
go around if I go through Chicago Heights I
go around it. I if I I have to go out of my
way I go around Chicago Heights.

RG: Right. And be careful going to see

CG 183A-1473

RG: all that. b7C

DB: Yeah. All right then.

RG: All right, take care.

DB: Nice talking to ya.

RG: And Dan I don't know what to tell ya.
I wish I could give you more, you know I
wish I could say something better to you.

DB: Yeah.

RG: But I can't.

DB: Well.

RG: I'm barely making it myself. I think I'm
on the verge of a nervous break down to boot!

DB: Yeah I hear ya!

RG: Sit around every fucking night.

DB: When I heard about that about kind of
hit on me (laughs) I was about to freak out.

RG: Yeah well I sit around at fucking night and
cry. To tell ya the fucking truth you know?

DB: Yeah, yeah.

RG: I'm really fucking you know? I don't feel right.

DB: Yeah I haven't felt right for quite some time
now.

RG: Just hang lose and keep your mouth shut you
know?

DB: Yeah.

CG 183A-1473

RG: And if anybody challenges you on that deal,
you absolutely did not know nothing about that.
You might have said that trying to play the
role.

DB: Right.

RG: That's it man.

DB: I got that, yeah.

RG: As far as you know as far as I know that's the
fucking truth.

DB: Yeah.

RG: Cuz, I didn't know nothing about it either.
You know?

DB: Yeah.

RG: Absolutely! I don't give a fuck if the mother
fucker pull my toenails out and blow my brains
out. I know nothing about it.

DB: Right.

RG: And you don't either.

DB: Okay.

RG: I'll talk to ya.

DB: All right take it easy, Rich.

RG: BYe.

DB: Bye.

SA [REDACTED]

This is December 23rd, 1981. This is Special Agent [REDACTED] of the Federal Bureau of Investigation. I just placed a telephone recording device on telephone number (312) 460-8338, located at 14475 John Humphrey Drive, Orland Park, Illinois. The recording device was placed on this telephone in anticipation of an incoming call from Richard Guzzino to Daniel Bounds. The following is a recording of that conversation.

(Pause)

DANIEL BOUNDS (DB):

Hello.

RICHARD GUIZZINO (RG):

Dan?

DB:

Yeah, Rich.

RG:

What's up?

DB:

Uh, what's up with you?

RG:

Nothing, talk to me now cuz I'm on a pay phone.

DB:

Oh you're at a pay phone, huh?

CG 183-1473

RG And I'm runnin out of change here.

DB Oh uh, do you know what I, heard?

You know what I heard?

RG What?

DB That there the FBI is looking for me because they figure I had something to do with Nick's death also. And that I, that uh they think that I had a brown van.

RG Uh huh.

DB With California plates.

RG Uh huh. Well I don't know what the, where that could come from! Here listen to this very carefully.

(Pause)

RG Anything that that stems comes from the De Andrea's okay. Now I mean now anything that the G got come from them. Had to! Because they're the only ones that that even had that even said anything about you. You understand?

DB Yeah.

RB Now listen what I'm telling you. The credence in other words the creditability is nihl. They don't have any. If you get

CG 183-1473

RG: questioned all you got to say is hey I don't know nothing. These people are crazy, and you don't, you're innocent! You got to assume that your innocent. And go along them lines. You don't know nothing about nothing. You understand?

DB: Yeah.

RG: They were over at Nannie's looking for me.

DB: Huh.

RG: And they're over by Nannie's looking for me. The G.

DB: Yeah.

RG: Yeah. They just wanted to.

DB: Is that before they talked to Holly or after?

RG: After, I think. It was the same day is when it was.

DB: Oh?

RG: I don't know if it was before or after. I don't know what time they were there or what time they were at my house what uh but what I'm trying to tell ya is you are innocent of anything! What are you? Don't worry you got to go along the assumption, you, you, these fucking people are crazy. I didn't do nothing...

CG 183-1473

RG: You understand?

DB: Yeah. Well do you got a number. I can call you back at?

RG: No, uh uh. You got to go in there on a thing like that. You understand what I'm saying?

DB: Yeah.

RG: And I keep telling ya that. And you keep calling me with you know it it Danny you're 27, you know? It's uh.

DB: And I want to live to be 28 at least!

RG: Oh you will. You you didn't do nothing. You know uh just because...

DB: Wait a minute, okay okay. Let's say it gets back to somebody else, right? And they come looking for me.

RG: You didn't do nothing. They.

DB: Okay if I tell them I didn't do nothing, I'm dead!

RG: No no. Let me tell you something? You know. If you tell them you did something you're dead. If you tell them you didn't do something you're dead. They'll uh never even ask. Them them people will never look for you.

CG 183-1473

RG

I'll tell you the reason why.

Because of the source of where that,
where that thing come from. They
know that [REDACTED] uh you know that

DB

[REDACTED] is loose. You know what I mean?
[REDACTED] is loose, what do you mean? b7C

Oh [REDACTED]

RG

Yeah, they know he's nuts. I mean
you know they figure the guy is
just babbling. They don't pay no
attention to them. Where, where
that come the that'll never get back
to anybody but the G, you can bet the
G went and talked to him and [REDACTED]
the guy who told them to see you. And
that's what and he's got no credence
to that, you know? If he says you told
him? You can tell him he's a fucking
liar. I never said nothing like that.
You understand?

DB

Okay but what happens if it gets
back to ah Pilotto?

RG

Nah nothing uh you there?

DB

Yeah, what happened?

RG

It took the money....

DB

Oh?

RG

Nothing, nothing happens I mean it

RG

it ain't gonna t back to them you know. Do do what I'm doing. Find yourself a job out of the area. And just work and be yourself, and don't worry about it! You know and then as soon as you get enough money go over to your sister take Holly with ya do something like that. You know what I mean? I put you on the fucking road and I give you money and I and try to give you as much as help as I could now right now I can't do nothing for ya. I keep tellin ya that. Nothing I can do. You know I'm on a wing and a prayer.

DB

Yeah. I need money bad, though!

RG

You got. Hey what the fuck man so do I. You got any?

DB

Fuck no.

RG

Well I ain't got none to give you either. Dan..You know let me tell you something uh i you and me went and got a fucking job chang- in tires, okay.

DB

Uh hu.

RG

All right and the job folded up and back fired on us you you know we had a job together is what we had. The guy that hired us is dead! You understand.

DB

Yeah.

RG

Like you know.

DB

I heard that you got a lot of money

RG

Huh?

DB

I heard that you got a lot of money.

CG 183-1473

RG

You heard that I got a lot of money?

DB

Yeah. Somebody said that they seen you with a lot of money.

RG

Seen me with a lot of money?

DB

Yeah.

RG

I don't know.

DB

Stacks.

RG

If I had, if I had a lot of money I don't I don't owe you nothing. You don't owe me nothing Dan. But I'm telling you the truth I ain't got no fucking money. You understand? I'm struggling just like you.

DB

(Coughs)

RG

But you got to understand that I didn't tell you to do anything. You know? And and nobody told you to do anything? The person that told you to do something is dead if somebody if anybody ever told you to do anything. You understand?

What I'm saying?

DB

Yeah I know what you're saying.

RG

So I can't, you can't pay for your brother's fucking thing and I can't pay for my brother's thing you understand what I'm saying?

CG 183-1473

RG: I can't help you. I told you call me in a month and I'll try my best to do something for you. But not because I owe you a mother fucking thing. I owe you nothing. I will help you because I like you. Don't ever think that I owe you! Because I don't owe you. You understand me Danny?

DB: Well I didn't say that you did. Did I? I didn't say that!

RG: But you're inferring that I got money, you know! If I got money that's my fucking business but I do not have none and I and I I'm giving you the courtesy of telling you I don't have none. You understand? If I had it and I didn't want to give it to ya, I'd tell ya I got it I'm not gonna give it to you. I uh you know go fuck yourself or something! I'm not telling you to go fuck yourself. I'm telling you I ain't got no money. You understand what I'm saying?

DB: Yeah I know what you're.

RG: That's why I'm telling you call me back in a month. And I might have something put together by then. But if you keep pressuring me and stuff like that you're gonna get me

RG: pissed off at you and then fuck it for sure! I you know I'm doing the best I can. I'm out here floundering around.

DB: Well how you think I feel? I'm pretty pissed too!

RG: Yeah, well.

DB: Sam told, okay Sam told me that [] set it up.

RG: [] didn't set shit up!

DB: On Pilotto.

RG: Nah nothing. That's a bunch of shit. And I don't believe he told you that!

DB: Same told me that.

RG: I don't believe he told you that. No fucking way you could you could, I I'll go to my fucking grave believing never believing he told you that cuz that ain't true.

(Pause)

RG: That ain't true. You go near that guy and you're dead. That guy will kill you.

(Pause)

DB: That uh he never seen me before a day in his life.

RG: Huh?

CG 183-1473

DB: [] never seen me, a day a day before in his life.

RG: I'm just telling you, you go around that guy he'll kill you.

(Pause)

RG: That's like Al Pilotto's son that guy.

DB: Uh uh Al, uh [] is?

RG: That's right. That's just like his son they're uh thicker than they're they're father and son team there buddy! They couldn't be no closer. If that was his blood son it wouldn't be no closer.

b7C

They go together everywhere. They're together everywhere, every day.

(Pause)

RG: Everywhere, every day. That one guy don't make a move without [] You understand what I'm telling you?

DB: Yeah.

RG: So don't get confused, there's no friends out there. You hear me?

DB: There's no friends out here?

RG: That's right. Inuh other words [] not your friend. Or Sam's friend. [] is i

CG 183-1473

RG:

Sam, was Sam's enemy.

b7C

(Pause)

DB:

Well I wonder why Sam would tell me something like that, then?

RG:

I have no idea and I don't believe he did he must, you must have misunderstood him or something? (Pause)

RG:

But you got to you know Danny you got to, you got to take care of yourself. Go get yourself a little job somewhere and get out of town or something you know? Stay out of the Heights. And then lay low like I'm doing. I'm gonna try and sneak in Christmas Day and see Nannie. I'm gonna go in there and say Merry Christmas Nannie and give her a little fucking gift ah I got for her and that's it! You know?

DB:

Uh yeah.

RG:

I mean if I think I can get in and out.

DB:

Yeah.

RG:

If I can't get in and out, I ain't even gonna do that.

DB:

Oh man!

RG:

So you know people tell you I got money. You're gonna hear all kind of fucking stories.

CG 183-1473

DB: Yeah somebody told me that you had money at the Vagabond, stacks of it.

RG: Stacks of money at the Vagabond? I ain't been close 'to the Vagabond for two months.

DB: I mean this is around right after Sam was

RG: Oh shit!

DB: Hit.

RG: Forget it. I I might have had a little money when I left on the road but uh, What do you think it costs out on the fucking road.

DB: Yeah I know it costs a hell of a lot. That's why when you guys sent me money uh.

RG: Five thousand dollars ain't no money.

DB: Huh?

RG: Five thousand dollars is no money.

DB: That's for sure.

RG: It looks like a lot laying on a desk but it ain't a fucking uh it ain't shit. And I went through that in the fucking first month and a half.

DB: Well Rich you know about the hit why don't you help me out?

RG: What hit? I don't know about nothing. I don't know about nothing you mother fucker you got to understand that. I don't know

CG 183-473

RG: know about nothing and neither do you!
Now forget it. I can't help you. I keep
telling you that. If I could help you I
would.

DB: Yeah.

RG: I have somebody coming in the next phone
booth I got to talk soft.

DB: Okay.

RG: You know I mean I'm telling you I don't have
nothing. I can't help you. No way! You're
on your own. You know just like I'm on my
own. I ain't asking you for nothing, am I?

DB: Well Rich I ain't never had nothing in my
whole life.

RG: I ain't never had much either, partner.
My brother had everything I got. And I
didn't wind up with shit. I didn't wind up
with shit. You want to talk about the short
end of a stick, I owe you nothing, I have
nothing to give you! In a month if you call
me, if I'm in a position to help you, I will
help you. I'll bring you with me wherever I
at. And I'll help you know, you know sur-
survive. But I can't help you, you know?

CG 183-1473

RG: You understand Danny? I'm not telling you to go fuck yourself, I'm telling you I can't help you. You want to listen to these jackoffs, spread these rumors. You go ahead and listen to 'em. You know?
(Pause)

RG: You understand?

DB: Yeah I understand.

RG: I got the same problems you got, only worse. Only worse. 10 times worse. You hear what I'm telling you? Ten times worse, Danny!

DB: Well Richie, why are you hiding then if if noth-, if you're not worried about nothing?

RG: Who says I'm not worried about nothing? I'm not gonna go fucking flash my face in front of everybody. You understand? I'm leaving I mean I'm gone. I've left but the thing.

DB: But why? That's what I don't understand. Why?

RG: Cuz I don't want no aggravation. Cuz I ain't sure that's why.
(pause)

RG: I know one thing that the only fucking person that could incriminate me in anything is dead! Cuz if you open you're fucking mouth, you're just a fucking liar as far as I'm concerned. I don't know nothing. And if I open my mouth, I'm just a fucking liar as far as your concerned you don't know nothing. You understand?

DB: Yeah.

RG: And I don't know how many times I got to tell you that, you know?

DB: Well you ever coming back this to just around here?

RG: Well maybe in a year. Maybe two years I don't know. I got to see how the land lays Dan! I'm playing it by ear.

DB: Oh?

RG: If I get something set up somewhere else, no I won't come back. I'll only come back if I have to.

DB: Well I bet you're gonna miss your mother a lot aren't you?

CG 183-1473

RG: Yeah. Don't you think it's driving me nuts?
DB: It's got to be.
RG: It's fucking right it's got to be!
It's driving me fucking nuts. I cry fucking
three - four times a week. I just sit down
and cry. And then you call me up and tell me
hey you got money. Somebody told me you got
money. What the fuck man? That only wants
to make me throw up.
(Pause)
RG: You know what I'm saying to ya?
DB: Yeah.
RG: I'm existing off of somebody just like you're
existing off your uncle. You understand me?
DB: Yeah.
RG: Okay and I'm gonna, I'm all right for awhile.
You know! Until I can get a until I can get
a roll going. I got something in my mind.
You know I'm not just sitting here dis-,
uh dissipating. But right now I'm existing
off some friends just like you're existing
off your friends. You understand?
DB: Yeah but are you hiding because of that thing
about Pilotto?

CG 183-1473

RG: I don't, that don't make no di-, I ah had nothing to do with that. Why should I hide on account of that. I'm hiding because my brother got killed and I don't know why.

DB: Then why aren't you around here, trying to figure it out. Trying to to comp-, trying to accomplish something?

RG: Look.

DB: Why would you let these guys go?

RG: I know the way things go.

DB: Huh?

RG: I know the way things go.

DB: Well if you get these guys first.

RG: Huh?

DB: If you're if you're leaving town Rich if you leave town.

RG: Yeah.

DB: That's gonna make you look guilty.

RG: I don't need no advice from you Danny. I'm doing what I feel is right! You know I don't want you to advise me. If I get some fucking uh thing going uh I'll I'll give you a hand until then I can't. You understand?

CG 183-1473

DB: Look at Rich I'm already, Uh look it I'm already you know uh I already threw my life away. What have I got to lose? Might as well help.

RG: Mine's gone too! My whole world, is.

DB: I hey well I feel I got to, I got to do something for Sam, you know?

RG: Yeah yeah. I'm gonna do something for him when the time is right and it ain't right. I know when the time is right. And I know how the game is played.

DB: You know eh hey I feel bad about Sam's death you know I feel like hey.

RG: Don't you think I do? You know ah that's why.

DB: I owe for him. b7C

RG: That's why I want you to know something. I want you to keep your fucking mouth shut because the only fucking person that can get you in trouble. Is you partner. Your big fucking mouth can get you in trouble. I don't know how [redacted] came up with that ah story. But that had to come out of your big fucking yap. That's where it came from.

DB: About what?

CG 183-1473

RG: Hey wait a minute.

OPERATOR: Please deposit one dollar and fifteen cents.

RG: Wait a minute?

BB: Okay.

OPERATOR: One dollar and fifteen cents.

RG: Wait a second here.

OPERATOR: For the past ten minutes.

(Pause)

(Phone noises)

OPERATOR: Thank you.

RG: You there?

DB: Yeah, I'm still here. Uh.

RG: Yes.

DB: You know I I I like I did that for Sam you know.

RG: You didn't do nothing.

BB: You know.

— RG: You didn't ^{do} know nothing.

DB: Well now I feel like I'm getting fucked.

Why is that?

RG: Why are you getting uh who's fucking you?

DB: Huh?

RG: Who's fucking you?

DB: Well I'm just hanging out here to dry.

CG 183-1473

RG: Oh, where am I hanging out?
I'm hanging out to dry too!

DB: Well that's why I feel we ought to get
together to figure something out.

RG: Nah they're ain't no getting together and
figuring nothin out not now. A month from now
I keep tellin ya in a month when I got
something to say constructive.

DB: I might not be living in a month from now,
Rich.

RG: Well I might not either.

DB: Well how about, damn.

RG: You got to stay away from me Danny.
You understand? And I can't help you.
I helped you all I could everytime I try,
everytime I tried to help you and give you
something you went someplace else and did
something else. I told you go by yourself
by down there by and you went and took
your you your whole family, with you, which
you could have brought them later, in a couple
of weeks. But you had to leave with everybody.
You did everything wrong. Uh every so far
every fucking thing you did is wrong and
you're telling me I got to get together and
talk things over with you? No, no fucking
-21-

b7C

CG 183-1473

RG: way. When I get something straightened out and I can help you. I will. But until then I can't and you got to accept that. You understand?

DB: Yeah well I feel like uh, I feel like uh you don't you don't want to help me, you know?

RG: You feel like I don't want to help you?

DB: Yeah.

RG: Feel anyway you want.

DB: Well well do I have to go to some?

RG: I can't help you!!!

DB: What about if I went to Pilotto and just told him everything? Would would I die or what?

RG: You're gonna uh right there on the spot, probably. Right there on the spot because you're I'd fucking deny it! Now you better never do nothing like that. Don't even let me think you're gonna think of doing something like that. That's the stupidest fucking uh you do one dumb thing after another. And don't threaten me with that shit. Cuz I don't go for it!

DB: Well Rich I feel like you guys just left me out here to get killed?

CG 183-1473

RG

Well where you think I'm doing? I'm trying to survive! What do you want me to do for? What do you want me to do for you? Tell me what what you want me to do.

DB

I feel like we ought to get together and do something.

RG

b7C

Well tell me what you want me to do.

DB

Send me 60 bucks so I can get out of here.

RG

Danny!

DB

60 bucks I can get to house anyways.

RG

I'm gonna do one better than that. I'm gonna go beg somebody for a hundred bucks. YOU understand? I'm gonna beg somebody for a hundred bucks. And at 10:30 tonight I want you to be at this number and I'm I'm I'll call you. And I'll make arrangements to get you a hundred bucks, okay?

DB

All right.

RG

Don't ever ask me for nothing again after that. And and unless ~~in~~ it's in a month from now then you can check with me. But I'll get ya out of town. You understand?

DB

Okay, yeah hey that's fine Rich.

RG

Yeah.

DB

But I need something, I'm I'm bumming cigarettes off my uncle every day.

CG 183-1473

RG

But I don't want to give you the
hundred then you stay there, where
you go?

DB

Well that's what I'm saying I'll be
going to [redacted] house.

b7C

RG

Where's that at?

DB

That's in [redacted]

Where you called me before.

RG

Yeah. Don't call Nannie's and leave
that number from Arkansas. Nannie's
phone is bad.

DB

It's bad?

RG

I'm pretty sure it is.

DB

Okay. All right well.

RG

So don't call nowhere. You just
go to Arkansas. You're on your own.
Get yourself a job and I'll see you
know I'll see ya when I see ya.

DB

Yeah okay well.

CG 183-1473

RG: All right in other words if I give you this hundred I don't want to hear from you no more. Don't call Nannie's from, don't leave no Arkansas number at Nannie's.

- You understand?

DB: Uh huh.

RG: Cuz if there is somebody looking, they'll come right there and get you then! The G you know?

DB: Yeah. Okay but a hundred is the best you can do then, right?

RG: That's the best I can do Danny. I only I'll tell you the truth I'm gonna look in my pocket right now I I only got fi-, I only got uh 18 dollars in my mother fucking pocket right now.

DB: Wow!

RG: And I'm telling ya and I got the change laying out here. I got a guy with me that's got three hundred in his pocket. And I'm gonna beg him for a fucking hundred dollars to give to you.

DB: Oh man.

RG: You be at this. I'll tell you what! You be at this, where where you near? What big interseccion are you near that you could come too?

CG 183-1473

DB: Well I'm by uh 80 uh 294.
RG: 80 and 294?
DB: Yeah.
RG: Well where's where, where's there place
around there? Is there a place around there
that's open or something?
DB: Well there's uh a Denny's!
RG: Where's that at?
DB: That's on 80 and Halstead.
RG: 80 and Halstead?
DB: Yeah.
RG: Danny.
DB: In Harvey!
RG: Oh yeah I know where that's at! Right,
right by the interchange.
DB: Yeah.
RG: How soon can you be at Danny's?
DB: I could be there within the hour, easy.
RG: Could you be there in a half hour?
DB: Yeah.
RG: All right you be in Denny's in a half hour,
okay? Just be sitting in there. And then
you come up you'll, you'll see me when I
pull up there. You come out, you come out
to the car but don't say a word about nothing
in front of the guy I'm with, just take the
-26-

CG 183-1473

RG: money and go away then okay.
DB: Okay.
RG: All right?
DB: That's uh that's at Denny's in a half hour?
RG: In about a half hour right there, right.
DB: Okay.
RG: Okay.
DB: Thanks a lot.
RG: Bye.
DB: Bye.
